

ANSHIKA SINGH

Web Developer

Azamgarh, Uttar Pradesh, India | +91-9889747955 | singhanshika29.as@gmail.com | github.com/singhanshika29

PROFESSIONAL SUMMARY

Detail-oriented and creative Web Developer with hands-on experience building dynamic, responsive, and user-centric web applications. Proficient in frontend and backend technologies including HTML, CSS, JavaScript, Bootstrap, PHP, and MySQL. Proven ability to leverage Git and GitHub for version control while bridging the gap between backend logic and frontend design to enhance user engagement.

TECHNICAL SKILLS

Frontend Development: HTML, CSS, JavaScript, Bootstrap

Backend Development: PHP

Database Management: MySQL

CMS: WordPress

Version Control & Tools: Git, GitHub

Design Capabilities: UI/UX Best Practices, Responsive Web Design, Full-Stack Component Integration

PROFESSIONAL EXPERIENCE

Web Developer Intern – N.ishu Digital Solutions

April 2025 – June 2025

- Developed, optimized, and maintained dynamic, data-driven websites utilizing PHP and MySQL.
- Enhanced UI/UX architecture and responsive components, resulting in measurable improvements in user engagement.
- Utilized Git and GitHub for version control, collaborative code reviews, and managing codebase deployment.

PROJECTS

Weather App (Live)

Live Link: singhanshika29.github.io/weather-app/

- Engineered a real-time weather application that delivers live atmospheric data tailored to exact user locations.
- Designed and built a highly responsive, modern user interface featuring optimized cross-device layouts.
- Integrated external third-party APIs to handle seamless real-time data fetching and managed project versioning via GitHub.

EDUCATION

Professional Certification in Web Designing & Development

ZICA (Zee Institute of Creative Art)

Bachelor of Arts (BA)

University of Lucknow

KEY ACHIEVEMENTS

- **Full-Stack UI Integration:** Successfully demonstrated a strong capability to bridge backend data logic with elegant frontend presentation using Bootstrap, Git workflows, and responsive styling methodologies.
